WILSON TO NAME

Confers iWth H. E. Davis on the District Commissioners. Many Are Boomed.

At the close of a long conference between President Wilson and H. E. one of the prominent Wilson of the District, it was annced that the appointment of the civilian Commissioners would be "very soon." Mr. Davis said he did not make any specific recommenda-tions to the President, but discussed

Works Out Details

Working out the details of a budge to supplant the present metho f making appropriations, a special in age at the Capitol today. Prospect dget system similar to that pro ed by Congressman Sherley of Ke

The Democratic caucus committee, high probably will overturn the time-mored custom of preparing appropriate bills at random, is headed by Marrity Leader Underwood and includes angressmen Hay, Fitzgerald, Garrett, perley, and Stevens. James C. Courts, erk of the Appropriations Committee, ho has handled the supply bills of thirty years, has also been called to consultation.

the Sherley plan contemplates the tion of a committee of the ranking socratic and Republican members of nine House committees now entitled take appropriations, and also represation from the Ways and Means mittee. The committee would fix a ton supply bills, and Congress could do no more than the prescribed

Two Promotions Made In the Customs Court

er a decision by Comptroller o the Treasury Downey, today, the tele-phone operator and messenger for the Custims Court of Appeals, will receive an increase in pay from 3600 to \$750.a.

Under a recent statute all executive officers of the Government were forbidden to pay higher salaries during the present fiscal year for any given work than they paid during the last fiscal year. The Comptroller held that this statute applied to the job and not to the person, and if there were statutory positions as messengers and telephone operator in the departmental service carrying salaries of \$700 a year, that eighty-two Customs Court employes might be advanced.

Walker Favors Bill

of the House District Committee, in

Slide at Culebra Reported to Board

The Isthmian Canal Commission had received reports of another serious slide on Culebra cut, which covered all but one of the tracks and partially buried a train and two steam shovels. The commission has been notified that the massive masonry for Gatun lock has been completed, and that the locks are ready for the opening of the sea gates. Capt. P. E. Wood has been appointed chief quartermaster of the Isthmian Canal Commission, Brig. C. A. Devol a train and two steam shovels. The commission has been notified that the massive masonry for Gatun lock has been completed, and that the locks are ready for the opening of the sea gates. Capt. P. E. Wood has been appointed chief quartermaster of the Isthmian Canal Commission, Brig. C. A. Devol resigning.

Heney Seeks Water For San Francisco

Francis J. Heney, the San Francisc graft prosecutor, appeared before the House Committee on Public Lands today and appealed for a better water supply for San Franc'sco. That city wishes to draw water from the Hetchy-Hetchy National Park, and the plan is opposed by conservationists and others, who fear it might destroy the beauty of the park. Hency told the committee that for three years the San Francisco water supply has been so inadequate that practically no water is used for sprinkling the lawns of residences in that city.

Police Gazette Head **Charged With Juggling**

NEW YORK, June 5.-Defalcations of between \$60,000 and \$75,000 may be shown it was charged, as a result of the arrest today of George A. Oxx, for twenty-three years general manager of the Police Gezette, and Adolph Chudoba, for ten years cashier. Richard K. Fox, owner of the Police Gezette, brought the charges after expert accountants had examined the books.

Ready to Start.

The new pumping station at Eighteenth and R streets southeast, which will furnish an increased water pressure to the territory east of the Anacostia river will be in operation within the next month, according to W. A. McFarland, superintendent of the Water Department. Four pumps are being installed. The cost of the project, is approximately \$40,000.

Ralph E. Walker, of Washington, has Four-Year-Old Boy

of the House District Committee, in which he strongly aproves the Johnson bill for regulation of financial institutions in the District.

Mr. Walker says this bill, if it becomes law, "will do more good for the intrict of Columbia than any bill that has been introduced in years."

He says further, the present system "practically permits a money and real estate trust in this city."

"I am convinced," says Mr. Walker, "through years of business experience in this city, that less tha na dozen men control the money and real estate market of this District."

Is Burned at Play

Setting his ciothing on fire while playing with matches in the front yard of his home, 1102 Buchanan street southeast Clarence Richardson, four years old, was probably fatally burned today. Winston Richardson, the boy's father, who was at home at the time, smothers that the control of the money and real estate trust in this city."

Through years of business experience in this city, that less tha na dozen men control the money and real estate trust in this city."

Through years of business experience can be a business and the control of the money and real estate trust in this city."

Through years of business experience in this city, that less tha na dozen men control the money and real estate trust in this city."

GENERAL HOUSE REPAIRS

E. H. THOMAS and JAS. FRANCIS SMITH. ATTORNEYS.

Brings Leaders Up—Support Comes Out.

NEW YORK, June 5.—There was much irregularity in the stock list this morning, but good support was in evidence for Union Pacific, and the standard is sueas, and they showed gains, though small. Steel dropped back to \(\) under yesterday's close, but the others held. The activity of yesterday was quite reduced and sales to noon totaled 264,300, less than half those in the first two hours yesterday. The statement of the Attorney General in regard to the tobacco companies had a depressing effect, especially upon the tobacco stocks, American Tobacco broke 5 points and Lorillard 4½, but Bnuff gained 1½. The petroleum issues also were weak, Mexican losing 2 points and coming back only \(\) California dropping 1½ and recovering \(\) and Texas Oil losing a point can losing 2 points and common showed a small gain, the preferred dropped 2½. Chesapeake and Ohio lost 1½ and 1½ to the covering \(\) and Texas Oil losing a point can and Best Sugar also showed losses, and Smelters, although the common showed a small gain, the preferred dropped 2½. Chesapeake and Ohio lost 1½ and 1½ to the covering \(\) and Texas Oil losing a point can and Best Sugar also showed losses, and Smelters, although the common showed a small gain, the preferred dropped 2½. Chesapeake and Ohio lost 1½ and 1½ to the covering \(\) and Texas Oil losing a point can also seed a sheaftly and colorado and Southern 3½, \(\) holding pretty well up to that figure. Soo Line also reacted and gained 1½ to the erport that the company will distribute a liquos and stockholders.

The New York State Public Service Commission has authorized to Delaware and Hudson Company to issue \$1,000,000 de per cent bonds, upon the security of its first and refunding mortgage, payable in thirty-five years from \$1,000,000 de per cent bonds, upon the security of the first and refunding mortgage, payable in thirty-five years from \$1,000,000 de per cent bonds, upon the security of the first and refunding mortgage, payable in thirty-five years f
